

Philip,

I emailed and called all my elected guys (T. Davis, Allen, Warner), l/m with Allen / Warner. Davis's aide is going to contact Congressman Goode's aide and dig into this, which is what I am going to ask of both Allen and Warner.

Allen's DC office: 202-224-4024

Warner's DC office: 202-224-2023

I think we should put some phone pressure on our elected officials to either revive the petition for rule making, or get a bill passed to make Parks regulations comply with state law and no more. email is too easy to dismiss, and Rick Povich has had good results with the phone... If I get a response, I'll let you know.

In the mean time, we should put out a call for phone contact to elected officials.
