Jerry case NPS: petition with office of Sec'y. will call back w/ contact name.  
Tom Davis office: Darcy - faxing letter to Hoffman  
Warner's office: L/M for a woman who's last name is Meadows.  
Allen's office: L/M for Mr. Ivey.

Darcy agreed to fax a request from Congressman Tom Davis to Mr. Hoffman that asked for a status and response to the petition.

I think this is a major coup, Tom Davis not being the most pro-gun guy on the hill. I'll be curious to see if we get a response...

We need those congressional phones lit up big time, not just a couple of people.
